### RECYCLING "ROLLS" AHEAD IN WALTHAM

WE'RE ROLLING OUT THE CARTS!

The City of Waltham is changing to an automated recycling collection program in 2017. Here's what you need to know:

- One 64 Gallon Wheeled Cart will be delivered to each household at NO charge
- All your recyclables can go into the cart; glass, cans, plastic, paper, collapsed boxes. Do not put yard waste or trash into the cart. The city will not be distributing carts for trash collection at this time. The option may be considered in the future.
- Recycling will be collected every week on your recycling & trash day. The pick-up schedule will not change
- Place your new recycling cart at the curb with the handles facing your home & ensure the cart is at least 3 feet away from surrounding items (mailbox, trash cans, utility poles, etc).
